

# Z908 Economy Wax

## Product features >>

Z908 Economy Wax Ribbon offers our most economical thermal transfer printing solution while providing consistent performance on a wide variety of materials. Designed for barcode label and tag printing in the main stream "sweet-spot" of 4 to 8 inches per second. Z908 provides high optical density, moderate image durability, and allows printing at low print head energy heat settings on all popular thermal transfer printers.

## Recommended substrates >>

## Printing characteristics >>

Ink color	Black
Color density	$\geq 1.8$ (test on X-Rite tester)

## Recommended printing conditions >>

Printer mode

Flat head

Print speed

Desktop printers, Industrial printers

※ Depending on the type of printer and print carrier, the print quality and image durability may vary.

Quality starts with Our film

# Z908 Economy Wax

## Technical specifications >>

Base film	BOPET
Total ribbon thickness (μm)	7.1±0.5
Storage conditions	-5°C~40°C 20%~85% Relative Humidity
Base film thickness (μm)	4.5±0.2
Ink melting point	70°C
Shelf life	1 year

## Certificates and reports >>

RoHS 2.0

REACH

ISO9001/14001/45001

MSDS

ISEGA

## Application scenario >>

Commercial retail
